ABOUT US

We at **MASKEEN** cultivate learning and improvement through inventive play in kids from little babies to young years. **MASKEEN** is situated in the core of India i.e. New Delhi.

We are makers of preschool up till institutional furnishings and of the toys for little children, and the items are of high caliber and are globally affirmed as well.

Our basic categories of products have –

- **Slides**
- **Swings**
- **Rockers**
- **Classroom furniture**
- **Classroom essentials**
- **Activity toys**
- **Preschool products**
- **Flooring**
- **Wooden Educational Aids**
- **Outdoor Playstations**

These are just the basic classification of our products; we can manufacture the products as per your needs and desires as we have our own manufacturing unit. We are here to make your dream needs into reality.

Our main goal is to be the main trend-setter of kids' items and of the furniture that fabricate minds and improve the family's festival of adolescence. We are focused on giving a quick, proficient and dependable assistance.

Our passion is to have cheerful children, mums and families. This enthusiasm behind everything that **MASKEEN** make. Its additionally behind the manner in which we work, what our identity is and how we live. We need to do all that we can, in large ways and little, to support mums and children develop, snicker and grin.

We guarantee to offer you the best client support. We guarantee that you are content with your buys and we will just offer you protected and excellent items. You can shop on our site with supreme certainty and security. We are devoted to conveying your buy as fast and reasonably as could be expected under the circumstances.
